

National Forum Seminar – virtual event

TELECOLLABORATION

CREATING INTERNATIONAL BRIDGES IN
SOCIALY DISTANCED TIMES

19 January, 11am – 1pm. Hosted by Letterkenny Institute of Technology

virtual exchange

GO

This seminar seeks to generate awareness about transnational telecollaboration among IoT/ TU educators. Telecollaboration enables higher education institutions across Europe to collaborate on educational projects, using virtual platforms. The potential of telecollaboration/virtual exchange for third level institutions has yet to be fully unleashed.

Keynote Speaker: Robert O'Dowd UNIVERSITY OF LEÓN, SPAIN

Robert O'Dowd was the founding president of the UNICollaboration, the academic organisation for telecollaboration and virtual exchange (www.unicollaboration.org) and has been invited to be

plenary speaker at international conferences in the US, Asia and across Europe.

Virtual exchange comes to Letterkenny Institute of Technology

Úna Carthy, lecturer in Letterkenny Institute of Technology, will share her reflections on her first ever virtual exchange, along with international colleagues, Isabel Garcia Plazas, Gerhard Feldmeier and 36 students from Ireland, Spain and Germany.
