

SUREbyts: Introducing Research to First-Year Students

Project Team

Ciarán O'Leary, TU Dublin
 Gordon Cooke, TU Dublin
 Julie Dunne, TU Dublin
 Barry Ryan, TU Dublin
 Matt Smith, TU Dublin
 Emma Caraher, TU Dublin
 Eileen O'Leary, MTU
 Carla Surlis, IT Carlow
 Dina Brazil, IT Carlow
 Evelyn Landers, WIT
 Claire Lennon, WIT
 Josephine Treacy, TUS
 Tanya Beletskaya, TUS
 Valerie McCarthy, DKIT
 Geraldine Dowling, IT Sligo
 Fiona McArdle, IT Sligo
 Sheila Faherty, GMIT
 Margaret McCallig, IT Sligo
 Emma Murphy, TUS
 Ismin Zainol, TUS

Research-based curriculum

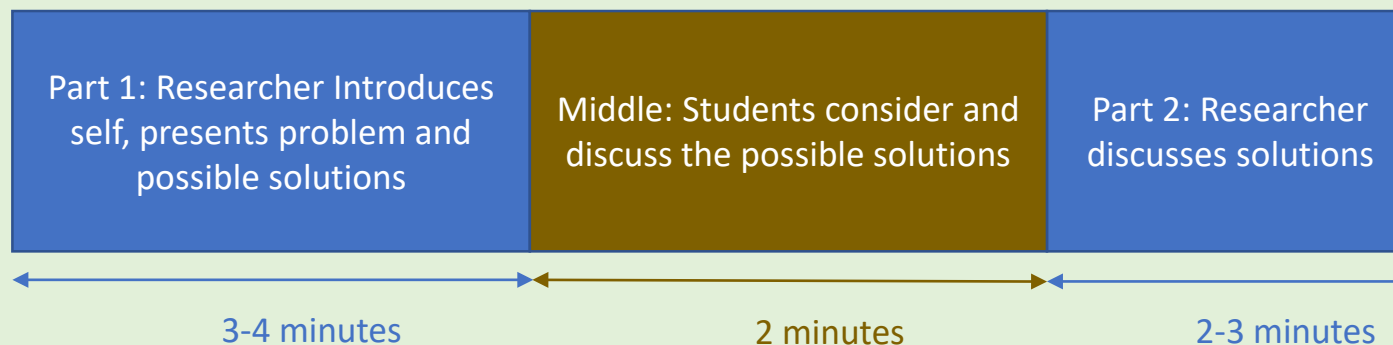

The curriculum includes activities in which students actually conduct research, through projects and other course work

SUREbyts: Videos of researchers presenting a problem and discussing solutions, with a target audience of year 1 and year 2 undergraduate students

Final Year Project
 Undergraduate Conference
 Undergraduate Journal

sure-network.ie/surebyts/

Usage Scenarios for Year 1 Lecturers

CLASS OPENER: Play at the start of class
 CLASS BRIDGE: Link classes
 YEAR BRIDGE: Link years on your programme
 SUBJECT TASTER: Introduce a subject
 ASSESSMENT: Create engaging assessments

Benefits for Students

Enhance awareness of knowledge
 Engage with their subject area
 Develop critical thinking skills
 Develop teamwork skills
 Enhance engagement
